## Director's Message

"The road to freedom- here and every where on earth- begins in the classroom". It gives me immense pleasure to welcome you brilliant mind to our prestigious institution. We, at St. Marks look at children as individuals and not as a class. We groom and nourish each child independently for all required distinct attention. We, at St. Marks built an atmosphere where each child explores multiple activities and experiences challenges to find his/her own strengths. Modern infrastructure, continuous realignment of Curriculum and committed and skilled teachers are the ingredients of St marks.

You would find a wealth of learning opportunities at St. Marks and institution of higher learning that would serve as an essential stepping stone to a fulfilling life and career.

In a Nutshell, I would conclude by rephrasing the words of Malala Yousa fazi :

"Let us remember: One book, One pen, One child and One teacher can change the world"

## Chairman's Message

"Education is the passport to the future, tomorrow belongs to those who prepare for it today" St. Marks was established to fulfill the dreams of Late Shri Ilam Singh Rana ji who had dreamt to provide education to the poor, deprived and socially backward persons. Late Shri Ilam Singh Rana ji used to think that education is the only way for the development and progress of undeveloped regions, persons, community and classes of the country.

Following the footsteps of late Shri. Ilam Singh Rana ji, St. Marks has proved its academic Excellence by consistently attaining attractive results from class Nursery to XII for almost past Two decades now. St. Marks exemplify the fact that sky is not the limit in the pursuit of excellence.

I end my message with an invitation to visit St. marks campus in the lap of greenery, where teaching and learning is simple and enjoyable and most importantly, within the reach of students.

**ABHISHEK RANA (ADVOCATE)**

## Principal's Message

Dear Parents,

Learning is a treasure that will follow its owner everywhere. St. Marks extends gracious welcome with our prospectus, which is designed to give you a realistic sneak peek and overall preview of our institution at One Go.

At St. Marks, role of our institution is not limited to pursue academic excellence but also to motivate and empower its students to be lifelong learner's, critical thinkers and productive members of an every changing global society.

At St. Marks, We believe that our students need to learn that the secret of success and contentment lies in discovering one's own strengths as well as limitations.

At St. Marks, priority is also given to the teaching of critical thinking skills such as reasoning and problem solving, to help our students develop the ability to reach sound conclusions based on observation and information.

At St. Marks, our approach to learning is child centric, encouraging activity based learning and inculcating a scientific temper and a spirit of free enquiry in the young minds. While academic excellence is our major thrust, the institution is also devoted to prepare the students for life, groom them to face challenges of tomorrow and encourage them to be socially relevant.

"The best way to predict your Future is to create it" As a concerned parent, your search for an effective collaborator to add to your child's scholastic and versatile needs concludes at St. Marks. I sign off with the conviction that St. Marks will be the preferred destination for aspiring learning and dedicated professional of the education.
