Director's Message

The road to freedom—here and everywhere on earth—begins in the classroom.” It gives me immense pleasure to welcome you to our prestigious institution. At St. Marks, we look at children as individuals and not merely as a class. We groom and nurture each child independently and provide the required individual attention.

At St. Marks, we believe that students must learn that the secret of success and contentment lies in discovering one's own strengths as well as limitations.

At St. Marks, priority is also given to teaching critical thinking skills such as reasoning and problem-solving. We help our students develop the ability to reach sound conclusions based on observation and information. Our approach to learning is child-centric, encouraging activity-based learning and inculcating a scientific temper and a spirit of free enquiry in young minds. While academic excellence is our major thrust, the school is also devoted to preparing students for life, grooming them to face the challenges of tomorrow, and encouraging them to be socially responsible.

You will find a wealth of learning opportunities at St. Marks—an institution of higher learning that serves as an essential stepping stone to a fulfilling life and career.

In a nutshell, I would like to conclude by rephrasing the words of Malala Yousafzai:

“Let us remember: One book, one pen, one child, and one teacher can change the world.”

Chairman's Message

Education is the passport to the future; tomorrow belongs to those who prepare for it today.” St. Marks was established to fulfil the dreams of Late Shri Ilam Singh Rana Ji, who dreamed of providing education to the poor, deprived, and socially backward sections of society.

Late Shri Ilam Singh Rana Ji believed that education is the only way for the development and progress of underdeveloped regions, communities, and classes of the country. Following in the footsteps of Late Shri Ilam Singh Rana Ji, St. Marks has proved its academic excellence by consistently achieving impressive results from Nursery to Class XII for almost the past two decades. St. Marks exemplifies the fact that the sky is not the limit in the pursuit of excellence.

I conclude my message with an invitation to visit the St. Marks campus, set in the lap of greenery, where teaching and learning are simple, enjoyable, and most importantly, within the reach of every student.

Mr. ABHISHEK RANA (ADVOCATE)

Manager's Message

Dear Parents,

Education plays a vital role in shaping the future of young minds and building a responsible society. At St. Marks Sr. Sec. School, we are committed to providing a nurturing environment where students are encouraged to learn, grow, and excel.

Guided by the spirit of the National Education Policy 2020, our teaching practices encourage curiosity, creativity, and practical understanding among students. We take pride in the school's consistent excellent academic results, supported by the dedication of our teachers and the hard work of our students. Our modern infrastructure, well - equipped laboratories, library, and learning facilities create an environment that supports both academic and personal growth.

Beyond academics, the school offers a wide range of co-curricular and extracurricular activities that help students explore their talents in sports, arts, and cultural programs. We also place strong emphasis on women's safety and empowerment, awareness initiatives, and environmental responsibility, helping students grow into socially aware and confident citizens. With the continued support of parents and educators, St. Marks School remains committed to shaping a brighter future for every child.

Ms. SUMAN SINGH
M.A., B.Ed.

Vice Principal's Message

Dear Parents,

At St. Marks School, education is a journey of discovery, growth, and excellence. We warmly welcome you to a learning community where young minds are nurtured with knowledge, values, and confidence.

We believe that education is not just about gaining information but about shaping character, encouraging creativity, and developing critical thinking. Our goal is to help every child grow into a lifelong learner, a responsible citizen, and a compassionate member of society.

Guided by the vision of the National Education Policy 2020 and the National Curriculum Framework 2023, we focus on holistic and experiential learning. We strive to create an environment where curiosity is encouraged, questions are welcomed, and every child feels inspired to explore and discover their unique potential. At St. Marks School, we place special emphasis on scientific thinking, mathematical reasoning, and problem-solving skills. Through hands-on activities, experiments, projects, and collaborative learning, students develop important 21st century skills such as creativity, innovation, communication, and critical thinking. Our teachers play an important role as mentors who guide, support, and inspire students while nurturing values, life skills, and a strong sense of social responsibility. As Nelson Mandela wisely said, "Education is the most powerful weapon which you can use to change the world." At St. Marks School, we remain committed to helping every child learn with curiosity, grow with confidence, and achieve their fullest potential.
